SHOW RULES

ALL EXHIBITORS ARE URGED TO READ AND OBSERVE THE SHOW RULES!!

1. EXHIBITORS: Exhibitors must be dues paying members of an affiliated or participating society of the American Dahlia Society. Exhibitors under the age of 18 are exempt from this rule.
2. ENTRIES: Upon arrival, exhibitors shall register in the proper grower classification and will be assigned an exhibitor number.
3. NUMBER OF ENTRIES: Exhibitors may make two (2) entries, each entry of a different variety, in each class, in Sections A, B, C, F, J, K, & L (unless otherwise noted). Excess entries by an exhibitor in any class will cause all entries in that class by the exhibitor to be disqualified.
4. SET-UP: Exhibits must be in place and set-up area cleaned by the entry deadline of Saturday morning at 9:15 a.m. Entries not in by this time will not be eligible for competition and will not be judged. (ADS Bench Entries excluded.) **THIS RULE WILL BE STRICTLY ENFORCED.**
5. VARIETY IDENTIFICATION: Exhibitors must have all blooms named before judging. This rule shall not apply to 1st, 2nd, 3rd or 4th year and older seedlings (Section E) that will not be disseminated the following year and to varieties used in arrangements. Unnamed seedlings must be identified with a seedling number until they have been disseminated.
6. FOLIAGE: All dahlias entered in Section A, B, C, E, F, G, H, J and K must have at least the first pair of leaves below the bloom CLEARLY VISIBLE and CLEARLY ATTACHED to the stem.
7. CONDITION OF EXHIBITS: All exhibits must be maintained in superior condition until the show closes. Exhibitors are urged to replace wilted blooms with fresh ones. Blooms in bad condition will be removed by the show committee.
8. TYPE STANDARDS: All blooms (except seedlings) shall be shown as currently classified as to type by the Pacific Southwest Dahlia Conference (PSDC), or, if not so listed, by the American Dahlia Society (ADS). If not listed by either PSDC or ADS, blooms may be shown as grown. Any entry incorrectly entered will be disqualified. If not classified by PSDC or ADS Classification Book, Unclassified Varieties sheet must be completed (Page 16).
9. SIZE STANDARDS: All blooms shall be shown as classified by the PSDC Supplement and/or ADS.
10. ELIGIBILITY AND DISQUALIFICATION: All blooms placed in competition (not including blooms entered in Section H and Section I) must be shown and grown by the exhibitor. Any exchange, giving or borrowing of blooms in the staging of an exhibit will be cause for disqualification of the entire list of exhibits entered by the exhibitor(s) so involved.
11. POINTS AND AWARDS:
 - a) Awards shall be given only to exhibits that are considered sufficiently meritorious by the judges.

- b) When there is only one exhibit in a class, a first prize shall be awarded only if the judges consider the entry worthy.
 - c) A Sweepstakes Award shall be made to the exhibitors in Junior, Novice, Amateur & Open-to-All grower classifications who earn the most points in Sections A, B, C, J and I. Points shall be awarded as follows:

Score three (3) points for each first award and one (1) point for each second award. Entries receiving a Best in Section higher award shall receive five (5) additional points.
 - d) Section I shall have its own sweepstakes.
 - e) In Sections A, B, and C, an exhibitor shall compete only against other exhibitors in his own grower classification.
 - f) In "Open to All" sections and classes, exhibitors shall compete against each other regardless of grower classification. (I.E. Jr., Novice, Amateur)
12. FLOWER OF THE YEAR: A Flower of the Year bloom must be entered into the "Flower of the Year" class before that variety may be entered into either the Novice, Amateur or Open to All competition.
 13. STAGING AIDS: No other flower, vegetation, or artificial or mechanical support shall be used in any entry except in arrangement classes, Old Fashioned Bouquet and Section D, 113. No material used as props in staging an exhibit is to show above the edge of the container.
 14. LOSSES: The Society will not be responsible for the loss of or damage to any exhibit or personal property including the return of containers.
 15. EXHIBIT REMOVAL: No exhibit, or part of an exhibit, may be removed from the show prior to the close thereof without permission from the Show Manager. Any violation of this rule shall result in the revocation of all awards won by the offending exhibitor. All spills must be cleaned up immediately (including petals and leaves).
 16. DISSEMINATION: Only disseminated dahlias (as defined by ADS) and second or third year or older seedlings may be shown in Section A, B, C, D and F. First year seedling dahlias may be shown only in Section E.
 17. JUDGES DECISION: The decision of the judges shall be final unless the Show Manager requests a re-judging. Such re-judging shall occur only if the Show Manager decides that a violation of the show rules has been made. Protests must be made in writing not later than one hour after completion of judging and the written protest must state which show rule has been violated.

GROWER CLASSIFICATION

1. NOVICE: A grower will be considered a Novice until he/she has won three (3) sweepstakes awards at ADS shows.
2. AMATEUR: An Amateur is a grower who has won three (3) or more sweepstakes awards as a novice. An Amateur grower may never return to Novice status.
3. COMMERCIAL GROWER: A Commercial Grower is a grower who issues a list of dahlia tubers or plants he or any member of his immediate family has for sale or who uses printed material or other means

of being identifying as a Commercial Grower. A Commercial Grower who no longer sells dahlia tubers for profit may return to Amateur status for exhibiting. Commercial growers may exhibit only in "Open to All" classes including Section I.

4. **JUNIOR:** A Junior grower is under age 18 at the time of the show. The exhibitor must provide basic care of plants with the exception of spraying. A special section is provided for Junior exhibitors.
5. **ADVANCEMENT:** Any exhibitor may voluntarily move up to a higher grower classification, but may not return to a lower classification. (See Commercial Grower for exception.)

Color Show

Each bloom has a specific A.D.S. number associated with it. This number specifies the size, form and color of the bloom. All grower classes will use the same A.D.S. number for entries and **it is therefore important to mark your grower classification on the entry card.**

Use the ADS Classification Book or the chart on page 12 for classification numbers. (The Pacific Southwest Dahlia Conference exceptions are on page 13 under Classification Supplement.)

Example: A bloom classified as “B-SC-Y” (B-Semi Cactus-Yellow) such as Hamari Accord, has the A.D.S. number 2202. When showing a Hamari Accord, Novice, Amateur and Open to All, entrants will use 2202 as the class # on the entry cards. A White Waterlily such as Porcelain has the A.D.S. number 7301. All grower classes will use 7301 as the class # on their entry cards.
