SHOW RULES

ALL EXHIBITORS ARE URGED TO READ AND OBSERVE THE SHOW RULES!!

1. EXHIBITORS: Exhibitors must be dues paying members of an affiliated or participating society of the American Dahlia Society. Exhibitors under the age of 18 are exempt from this rule.
2. ENTRIES: Upon arrival, exhibitors shall register in the proper grower classification and will be assigned an exhibitor number.
3. NUMBER OF ENTRIES: Exhibitors may make two (2) entries, each entry of a different variety, in each class, in Sections A, B, C, F, J, K, & L (unless otherwise noted). Excess entries by an exhibitor in any class will cause all entries in that class by the exhibitor to be disqualified.
4. SET-UP: Exhibits must be in place and set-up area cleaned by the **entry deadline of Saturday morning at 10:00 AM** Entries not in by this time will not be eligible for competition and will not be judged (ADS Bench Entries excluded.) **THIS RULE WILL BE STRICTLY ENFORCED.**
5. VARIETY IDENTIFICATION: Exhibitors must have all blooms named before judging. This rule shall not apply to 1st, 2nd, 3rd or 4th year and older seedlings (Section E). 1st year seedlings may not be shown in sections A, B or C. 2nd year and older undisseminated seedlings may be entered in other sections with a seedling number. An open-center dahlia is defined as dahlias from classes 8001-9715. An overly mature fully-double bloom with the disc showing is not an open-center dahlia.
6. FOLIAGE: All dahlias entered in Section A, B, C, E, F, G, H, J, and K must have at least the first pair of leaves below the bloom **CLEARLY VISIBLE** and **CLEARLY ATTACHED** to the stem.
7. CONDITION OF EXHIBITS: All exhibits must be maintained in superior condition until the show closes. Exhibitors are asked to replace wilted blooms with fresh ones. Blooms in bad condition will be removed by the show committee.
8. CLASSIFICATION STANDARDS OF ALL ENTRIES IN SHOW:
    a. **Classified Disseminated Dahlias** must be exhibited as named and classified in the most recent issue of the American Dahlia Society Classification Book or the Pacific Southwest Dahlia Conference Classification Supplement published in this Show Schedule. The supplement supersedes all other listings.

b. **Unclassified Disseminated Dahlias** not listed in the current year's ADS Classification Book, or the most recent ADS Composite Listing must be evaluated by at least one Senior Judge before entering and entered as classified by that evaluation. This evaluation must be recorded on an appropriate form that can be transferred along with the show results to the ADS Classification Chairman. The form for this evaluation is included at the end of this Show Schedule.

c. **Undisseminated Dahlias** must be entered and identified by either a number or a name in appropriate size, form, and color classes as defined in the most recent ADS Classification Book as allowed in the Show Schedule.

9. ELIGIBILITY AND DISQUALIFICATION: All blooms placed in competition (not including blooms entered in Section H and Section I) must be shown and grown by the exhibitor. Any exchange, giving or borrowing of blooms in the staging of an exhibit will be cause for disqualification of the entire list of exhibits entered by the exhibitor(s) so involved.

10. POINTS AND AWARDS

    a. Awards shall be given only to exhibits that are considered sufficiently meritorious by the judges.

    b. When there is only one exhibit in a class, a first prize shall be awarded only if the judges consider worthiness of entry.

    c. A Sweepstakes Award shall be made to the exhibitors in Junior, Novice, Amateur & Open-to-All grower classifications who earn the most points in Sections A, B, C, J and I. Points shall be awarded as follows:

        i. Score three (3) points for each first award and one (1) point for each second award. Entries receiving a Best in Section higher award shall receive five (5) additional points.

    *In Sections A, B, and C, an exhibitor shall compete only against other exhibitors in his own grower classification.

    *In “Open to All” sections and classes, exhibitors shall compete against each other regardless of grower classification. (i.e. Jr., Novice, Amateur)

11. FLOWER OF THE YEAR: A Flower of the Year bloom must be entered into the “Flower of the Year” class before that variety may be entered into either the Novice, Amateur or Open to All competition.

12. STAGING AIDS: No other flower, vegetation, or artificial or mechanical support shall be used in any entry except in arrangement classes, Old Fashioned

Bouquet (D 112), and Creative (G 717). No material used as props in staging an exhibit is to show above the edge of the container.

13. LOSSES: The San Leandro Dahlia Society will not be responsible for the loss of or damage to any exhibit or personal property including the return of containers.
14. EXHIBIT REMOVAL: No exhibit, or part of an exhibit, may be removed from the show prior to the close thereof without permission from the Show Manager. Any violation of this rule shall result in the revocation of all awards won by the offending exhibitor. All spills must be cleaned up immediately (including petals and leaves).
15. DISSEMINATION: Only disseminated dahlias (as defined by ADS) and second or third year or older seedlings may be shown in Section A, B, C, D and F. First year seedling dahlias may be shown only in Section E.
16. JUDGES DECISION: The decision of the judges shall be final unless the Show Manager requests a re-judging. Such re-judging shall occur only if the Show Manager decides that a violation of the show rules may have been made. Protests must be made in writing not later than one hour after completion of judging and the written protest must state which show rule has been violated.
17. GROWER CLASSIFICATION
    a. NOVICE: A grower will be considered a Novice until he/she has won three (3) sweepstakes awards at ADS shows.
    b. AMATEUR: An Amateur is a grower who has won three (3) or more sweepstakes awards as a novice. An Amateur grower may never return to Novice status.
    c. COMMERCIAL GROWER: A Commercial Grower is a grower who issues a list of dahlia tubers or plants he or any member of his immediate family has for sale or who uses printed material or other means of being identified as a Commercial Grower. A Commercial Grower who no longer sells dahlia tubers for profit may return to Amateur status for exhibiting. Commercial growers may exhibit only in “Open to All” classes including Section I.

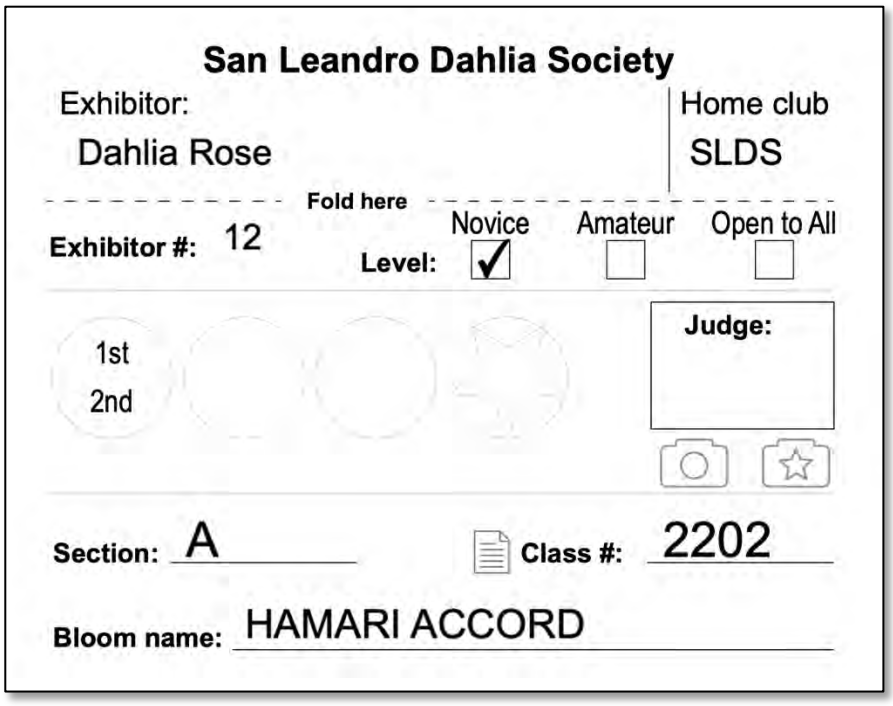
ADS Dahlia Classification and Numbering Guide

Classification Numbering System

The entries for Sections A, B, and C, are entered in the order of the ADS classification system and are considered the COLOR SHOW. Dahlias first judged again blooms of the same size, form (shape) and color. In order to systematize this, each variety/cultivar has a specific ADS number associated with it. This number specifies the size, form (shape) and color of the bloom. All grower classes will use the same ADS number for entries and it is therefore important to mark your grower classification on the entry card. Unmarked entries will not be judged.

Use the ADS Classification Book (2026) charts on page 16 for classification numbers (copied on the follow page). (The Pacific Southwest Dahlia Conference exceptions are listed below.)

Example: A bloom classified as "B-SC-Y" (B-Semi Cactus-Yellow) such as Hamari Accord, has the ADS number 2202. When showing a Hamari Accord, Novice, Amateur and Open to All, entrants will use 2202 as the class # on the entry cards. A White Waterlily such as Porcelain has the ADS number 7301. All grower classes will use 7301 as the class # on their entry cards.



Two (2) entries per class are allowed (see Rule #3). That is, you may show two different 3002 (BB-FD-Y), two different 3006 (BB-FD-R), etc.

If the Bloom name is not found in the Classification and Handbook of Dahlias, the ADS website, or the 1976–2026 Composite Listing of Dahlias, fill out an American Dahlia Society Senior Judge Classification Recommendations for Unclassified Varieties found on the last page of this show schedule. Failing to do this will disqualify entry.

To aid in the identification of unknown, unclassified, or seedling Dahlias, use this guide in conjunction with the ADS Classification and Handbook of Dahlias.
Establish Size and Form (type), then follow across to the appropriate color column. This will give you the ADS classification number for the dahlia.
Go to the Classification Number and Awards section of your handbook to identify and assess the competition.
